

Catholic Radio Vision Planner 2023

1. What are your deepest desires? (How have these desires been revealed to you throughout your life?)

2. This apostolate is firstly about you being transformed and drawn closer to Christ, how does He desire to draw you closer this year?

3. Through your transformation others will see something they desire and be drawn to that same experience. How can your transformation be best communicated/transmitted through the work of your apostolate?
